2012 FUTURE INNOVATORS SCHOLARSHIP AWARD

GOAL

To provide financial assistance to African-American senior high school students seeking to pursue undergraduate degrees in the fields of Science, Technology, Engineering, or Mathematics (STEM).

OBJECTIVE

The National Society of Black Engineers – Alumni Extension, Washington, D.C. Metropolitan Area Chapter (NSBE-AEDC) Future Innovators Scholarship Award was established as a means of recognizing and rewarding students who have demonstrated academic excellence as well as outstanding service within their communities. This is a merit-based scholarship awarded to students planning to pursue degrees in science, technology, engineering, or mathematics. \$1,000 scholarship awards will be presented to students who NSBE-AEDC feels will demonstrate the greatest promise as future African-American technical professionals.

The candidates that have been selected to receive the scholarship award will receive an invitation to the Annual Future Innovators Scholarship Award Reception in May 2012 to receive formal recognition of their accomplishment. Recipients will have the option of inviting family and friends to this occasion.

The scholarship is valid only for the recipient's first year in college. It is currently not renewable for subsequent years.

ELIGIBILITY

- Applicants must be African-American high school seniors residing in the Washington, D.C. Metropolitan area (limited to Montgomery, Prince George's, Howard, Charles, and Anne Arundel counties in Maryland; Alexandria City, Arlington, Prince William, Loudoun, Fairfax, and Stafford counties in Northern Virginia).
- At the time of application, scholarship applicants must have applied for admission to an accredited college or university in a degree program in engineering, computer science, mathematics, or an applied science.

2012 NSBE-AEDC Scholarship Application

Section 1. Personal Information

First Name:	Last Name:	M.I.
Address:		
City:	State:	Zip:
Phone:	E-Mail:
